

Mileage Reimbursement Guidelines

Friends or family of Texas Children's Health Plan members who drive a member to a Medicaid-covered appointment may be eligible for mileage reimbursement. Members can also receive compensation when driving themselves to an appointment. This is called a "mileage reimbursement."

- To be reimbursed for a trip, the member must call and request the trip at least 2 business days before the member's health care appointment. Urgent appointments – for chemotherapy, dialysis, surgery, etc. – can be booked at any time. To request a trip, call Veyo at (888) 401-0170, Monday – Friday, 8 a.m. to 5 p.m.
- The driver must first enroll in the mileage reimbursement program and submit copies of their driver's license, current vehicle insurance, vehicle inspection, and vehicle registration upon enrollment.
- To register as a driver, please submit the Driver Registration Form at [LINK] or please call Veyo at (888) 401-0170 and a form can be mailed to you.
- The medical provider must sign the Mileage Reimbursement Form. Trips without a signature will not be paid. Each trip will be confirmed with the medical provider before the driver is paid.
- You will get one mileage reimbursement payment for each round trip even if you are driving more than one member.
- The mileage reimbursement rate for all trips is [RATE] cents per mile. Veyo will use Google Maps to determine the length of the trip. The amount of mileage reimbursement is based on the length of the trip. You will be paid per mile. The rate of payment per mile is based on the current mileage rate for state employees and is set by the State of Texas.
- All payments to drivers will be reported by Veyo to the Internal Revenue Service (IRS).
- The Mileage Reimbursement Form can be found at [LINK] or please call Veyo at (888) 401-0170 and a form can be mailed to you.
